

ST 768

All Wheel Position

This all wheel position tyre is designed for on-road and limited off-road use. The unique 4 rib pattern with wider and flatter tread radius provides better handling stability and reduces uneven tread wear. The special tread compound ensures longer tread life and lower heat generation.

Tyre Size	Ply Rating	Load Index	Speed Index	TL or TT	Overall Diameter (mm)	Section Width (mm)	Recommended Rim (J)	Tread Depth (mm)
